

Mālama Ko’olaupoko - Mālama Honua 21st Century Grant Program at Keolu  
*Before and After School Enrichment for Keolu Students*  
**“Malama 21st Program”**

Keolu has partnered with Pacific American Foundation (PAF) in providing our Keolu students with before and after school enrichment activities that build upon school day instruction and our school’s mission, initiatives, and goals. The “Malama 21st Program” will be in addition to our A+ After school Program offering. Our new “Malama 21st” program will evolve with time, dependent on student enrollment.

**Cost:** There is no cost to students. Federal grant sponsors the program.

**Who:** This program is FREE and available to all Keolu students in grades K-6. There are no special eligibility requirements.

**Snacks:** Availability will vary. Students should pack their own snack daily.

**Keolu Instructors:** Kalina Mead, Kiana Kauwe, Robert Hu, and more

**Program Provider:** Pacific American Foundation

**Program Funding:** 21st Century Community Learning Centers Grant

**Administered by:** Hawaii Department of Education, Community Engagement Office

**Goals of the “Malama 21st” Program:**

- Student Connections (understand relevance of what they are learning in reading, writing, math, science)
  - Students want to give back and “malama” the communities in which they live
- Connect to community sites and partners to develop relationships that serve both school and community
- Connect to a range of services to support students, including tutoring, mentoring, academic enrichment with broad community service and cultural opportunities
  - Parent engagement and involvement in school-related activities to support students

**Keolu’s program will begin for students on November 26, 2018. Here is the weekly schedule Keolu will offer:**
